

Glenny Hack Club

Glenny Hack Club is running in 2025. GHC is a place in Glen Waverley Secondary College where makers meet and more importantly, make! GHC is all about building stuff, with a focus on software development and how software interacts with hardware.

What's in it for me?

Sponsored by [Hack Club](#) (a Not-For-Profit), you can get cool stuff and delicious snacks for building stuff!

HACK CLUB

Boba Drops is Hack Club's program for high schoolers where teens get free boba for making a website.

boba drops

submit it!

1. build a site!

HACK CLUB

Cider

Teenager? If you...

- Design
- Code
- Ship

...your own iPhone app, we'll send you **\$100** to publish it.

For example...

- Runway: a game to make learning STEM topics fun
- DebtZapper: an app to track down your debtors.

Rome wasn't built in a day,

but your circuit board could be.

High schooler? Get a \$100 grant to build your own custom PCB.

Printed Circuit Boards (PCBs) are the core component of all electronics. Learn PCB design and build your own robots, radios, and electronics!

"I'm so glad young people can create PCBs online. May your creativity change the world! Mine did."

Steve Wozniak, Apple co-founder

- Other Senior School Students
 - Visit glenny.hackclub.com and press Join, when prompted select the Senior option.

Staff who wants boba:

- Visit glenny.hackclub.com and press Join, when prompted select the Staff option.

Frequently Asked Questions

1. When and where are we meeting?

You'll know once you sign up. Once you sign up and have your membership approved, you will receive an email detailing how to use the GHC Members Portal and the time & location of GHC 2025 meetings.

2. Do I need any experience?

No. You do not need any experience to join GHC in 2025. GHC is a space for learning and making. Most, if not all GHC activities follow a tutorial (**both instructed in-person and a text & imaged based guide**). Should there be any questions, our Club members will be glad to help.

3. What programming language does GHC use?

Use any that you know. In GHC, we will mainly teach and instruct in **Python**, a very common programming language and is also used throughout VCE. We encourage our members to use Python as well, but if you do not wish to do so, it is up to you.

4. Are there any Club Rules?

Yes. Visit glenny.hackclub.com for more information.

5. Who is Hack Club?

Hack Club is a global Not-For-Profit organisation which encourages programming and making projects across the globe that will sponsor GHC in 2025, providing funding for events and activities. For more information regarding Hack Club, please visit hackclub.com.

6. Who do I contact if I need anything?

Please contact the following people should there be an issue:

- **Bob YANG** - (Club Leader 2025, year 12) - YAN0185@gwsc.vic.edu.au
- **Ms. FERNANDO** - (Club Supervisor 2025) - MFE@gwsc.vic.edu.au
